Since enactment of the American Recovery and Reinvestment Act (ARRA) of 2009 on February 17, 2009, several investments have been made in New Jersey. These include tax cuts for families and critical funds for roads and highways, improved schools, safer communities, and modernized energy systems. While not an inclusive list of everything that is being done in the district, here are some important investments underway in the district.

Department of Homeland Security - FEMA Emergency Food and Shelter National Board Program
